Energy		Washing Machine
More efficient	A	A
	B	
	C	
	D	
	E	
	F	
Less efficient	G	
Energy consumption kWh/cycle		1.66
Water consumption litres/cycle		45
Washing performance	A	Accepts
Spin drying performance	A	Accepts
Capacity (normal kg)		6.5
Water consumption litres		35
Price (€)		120
Washing (cycles)		Spring

All the things we  and  run on Direct Current
